

- 2 Types of Narrators
 - Ira Glass - As the producer, host and narrator
 - * Tends to talk to the journalists
 - Journalist
 - * Talks to the subject
- Representation of military life
- Inappropriate song right after they said someone died.
 - Serious moment and then tornado on the dance floor starts
- Setup a climatic moment, a revelation, and the story changes.
- Live vs Recorded
 - Audience laughter has an effect
- They all represent stories.
- Silence used in interviews to add emphasis
